I have the legal authority to authorize the examination and treatment of the above-listed patient by AEG Vision managed practices. I understand that the examination and treatment may include the use of various exams or tests (including, but not limited to: comprehensive eye examinations, glaucoma testing, pupil dilation, and contact lens fitting), medications (including dilating or numbing agents and dry eye assessment drops), and other diagnostic procedures and tests normally provided in an optometry practice. If other procedures are required and not emergent in nature, then this will be explained to me by my provider. If this occurs, I will be asked to give additional written consent for these procedures.

- Other purposes as required by law.

By agreeing to receive treatment:

- I authorize the examination and treatment of the patient as the legal representative (or self, if the patient).
- I acknowledge:

I consent to the collection and sharing of information as indicated above and the uses and disclosures detailed in the Notice of Privacy Practices, including releasing my medical information to my insurance company(s) as needed to process my insurance claim(s).
    - I understand that if I do not agree with the uses and disclosures detailed in the Notice of Privacy Practices, I have the right to request, in writing, that AEG Vision and its affiliated practices restrict how protected health information about me is used or disclosed, however, AEG Vision is not required and may not be able to agree to the request if disclosure is required by law or to comply with HIPAA.
- I understand this authorization for treatment applies and extends to subsequent appointments at this practice as well as other AEG affiliated practice locations.

I certify that I have read and understand the above statements and that I am providing my consent to treat.
